

# Hoarding Construction.

Meticulously designed and constructed by our installation team, Sitemax A-Class Timber Hoardings safeguard construction sites and serve as a protective barrier, preventing unauthorised access and ensuring public safety. Beyond their practical function, our A-Class Hoardings provide the perfect canvas for showcasing project branding and communicating safety messages. Specialising in supply and install of custom construction site signage, **Sitemax delivers end-to-end hoarding construction and signage solutions** for building safety and brand excellence across projects. Email all hoarding and signage enquiries to [sales@sitemax.com.au](mailto:sales@sitemax.com.au) or call us on 1800 007 557.
